

Institutional Distinctiveness

One of the distinctive areas of our college is 'Empowering First-Generation Learners' and also to provide opportunities to the students from the socially and economically marginalized and underprivileged sections to carry out their studies. And to fulfill this vision the Institution gives utmost priority to this. The Teachers of this college play a major role in supporting, engaging and empowering these students. Students' Council, pass out students and teachers encourage the pupils to enter the new world of college. The college offers concession and scholarship for the economically poor students to pursue their higher education in college. College guides them to choose their subjects on the basis of their merits through proper counseling prior to admission. The concerned department arranges for extra classes for them on a daily basis. The teachers try to identify their problem zones and address them properly. They are assessed through a monthly test. On the basis of their results and outcomes the concerned department conducts the parent-teacher meeting to solve their problems. This approach reduces stigma and helps students get through their undergraduate program more efficiently and effectively. More emphasis is given on their career through career counseling. Proper guidance is given to the pass out students to prepare them for a job. Teachers always support them as far as possible with love and smile.
